

Trip Around the World – Hand Pieced

Cut 2 ½" strips across the width of your fabric, then cross cut into 2 ½" squares. Use a piece of template plastic 2" square to mark sewing lines within the cut squares.

You can cut 16 squares from one strip across the width of the fabric. Each round requires 4 more squares than the previous round.

To start, make a 9 patch block. Use two different colours. Choose a third colour, and add 4 squares to the middle edge of the 9 patch block.

From there on, add rounds of squares slotted between the squares on the previous round.

The nine patch with the added 4 pieces are considered round 1

Round 2 – 12 Squares

Round 3 - 16 squares

Round 4 - 20 squares - 2 strips of fabric

Round 5 – 24 squares

Round 6 – 28

Round 7 – 32 squares - 2 strips of fabric

Round 8 – 36 squares – 3 strips 7.5" fabric

Round 9 – 40 squares

Round 10 – 44 squares

Round 11 - 48 squares -

Round 12 – 52 squares 4 strips 10" fabric

Round 13 – 56 squares

Round 14 – 60 squares

Round 15 – 64 squares - 5 strips 12.5" fabric

Round 16 – 68

Round 17 - 72

Round 18 - 76

Round 19 – 80 -

Round 20 - 84 - 6 strips - 15" of fabric

Round 21 - 88

Round 22 - 92

Round 23 - 96

Round 24 - - 100 - 7 strips – 17 ½" fabric (half a metre)

Just keep adding 4 more squares to each round until your quilt is big enough.

If you run out of a colour in any round, use another fabric, of the same colour, and alternate the two fabrics,
